EDUCATION

University of Essex — Colchester, UK

BA International Economics, First-Class Honours | Sep 2021 – 2025

- Dean's List for Academic Excellence
- Relevant modules: Financial Instruments & Capital Markets, International Trade Policy, Quantitative Economics, Intermediate Micro/Macro

Code Institute — Remote

Data Analytics & AI Certificate (Full-time, In Progress) | Nov 2025 – Mar 2026

- Building end-to-end analytics projects using Python, SQL, and BI tools (portfolio-based)
- Applying data cleaning, exploratory analysis, and visual storytelling to real datasets
- Developing beginner-to-intermediate ML workflows (feature engineering, model training, evaluation)
- Hackathon participation: collaborative build, rapid prototyping, final presentation (in progress)

Old Swinford Hospital Sixth Form — Dudley, UK

A-Levels: Economics (B), Psychology (B), Chemistry (D) | Sep 2019 – Jun 2021

PROFESSIONAL EXPERIENCE

Aesthetica Studio — Brand & Social Strategist

Remote | Apr 2024 – Aug 2024

- Shaped end-to-end brand and content strategy for AI-first fashion and lifestyle campaigns
- Partnered with founders/early-stage brands to craft brand narratives and scalable creative systems
- Led visual identity execution and social media strategy, improving engagement and inbound interest
- Conducted rapid market research, competitor analysis, and outreach to position the studio in a design-led AI media category

IBM — SAP Junior Consultant (Placement Year)

London, UK | Aug 2023 – Aug 2024

- Led cross-functional coordination as Finance Testing Coordinator, aligning onshore and offshore teams to resolve system issues efficiently
- Contributed to a GenAI implementation initiative, supporting program delivery and operational improvement opportunities
- Supported large-scale SAP project operations, improving delivery rhythm, stakeholder alignment, and documentation quality
- Coordinated internal community events (50+ attendees/event), increasing engagement and collaboration across teams

Digital Professionals Unwired (DPU) — Content Writer

Remote | Jul 2019 – 2021

- Wrote finance articles for international banking clients, translating complex concepts into clear, actionable insights
- Supported LinkedIn content strategy and campaigns, contributing to ~40% engagement growth on professional platforms

DATA & AI PROJECTS (IN PROGRESS — COURSE PORTFOLIO)

Data Analytics Portfolio — Python / SQL / BI | Nov 2025 – Present

- Project 1: Data cleaning + EDA on a multi-table dataset; insights summarised with visualisations and recommendations
2026 (In Progress)
- Project 2: Dashboard build (Power BI/Tableau) for KPI tracking; interactive filtering and stakeholder-ready storytelling
- Project 3: Intro ML use-case (classification/regression); baseline model + evaluation + iteration (in progress)

Hackathon — Data/AI (Team Project) | 2026 (In Progress)

- Collaborating in a team to design, build, and present a working prototype under time constraints
- Owning a defined workstream (analysis, dashboarding, modelling, or insight narrative) and contributing to the final pitch

LEADERSHIP POSITIONS

Essex Hindu Society — President | Mar 2022 – Present

- Led a 12-member committee; scaled active participation to 60+ members through inclusive programming and strong delivery cadence
- Delivered flagship events including Holi Festival (1,000+ attendees) and Diwali Ball (150+ attendees)
- Grew social media presence to ~1,000 followers using data-led content planning and community engagement tactics

Essex Economics Society — President | 2024 – 2025

- Led a 9-member committee and delivered 10+ events; increased engagement by ~30%
- Co-led a multi-society charity ball (74+ attendees), raising £5,000+

Essex Synergy Group — General Advisor | 2024 – 2025

- Advised leadership on planning and long-term goals; supported delivery of networking events with multiple societies

CERTIFICATIONS & EXTRACURRICULARS

- Microsoft Excel (Basic Formulas & Functions) — Coursera | Jan 2023
- Mandarin Beginner Course — University of Essex | Jul 2022
- Global Leadership Course — University of Groningen | May 2020
- International Relations Course — University of Groningen | May 2020
- Duke of Edinburgh (Bronze) — Kinver, UK | Jun 2018
